

IAAP Foundation Legacy Society Members

The IAAP Foundation has established the Legacy Society to celebrate and thank those individuals who share our mission to invest in the success of office and administrative professionals by supporting innovative research, educational and professional development opportunities, and affordable housing initiatives. Should you choose to include the Foundation in your will or other estate plans, we would be honored to know of your intentions and have you as a member of our Legacy Society.

Members of the Legacy Society will not only be recognized in our publications and on our website, but will also receive a Legacy Society lapel pin upon participation in the program.
